Don't have a Stacks screen name and password and want

Select **NO**

**You're Almost There!**

You can change the screen name your teacher gave you if you already have a STACKS screen name. If you don't know what this is, then this does not apply to you and select "NO".

If you change to your STACKS screen name, your teacher will see your STACKS name and will be able to know what you post and do on the STACKS.

If you only have the user name your teacher gave you, you can use that user name on the STACKS too. If you don't want your teacher to know who you are on the STACKS, you can use the name your teacher gave you just for Summer Challenge and create another account on the STACKS, to use on the STACKS.

I want to use my STACKS screen name instead. **YES** **NO**

Fill out then **submit**

**Create a Password** (must be at least 3 characters long.)

Do not include any personal info in your password, such as your last name, your address or your email address.
